A large indoor event held in a stone-walled hall. The stage features two large projection screens displaying a man in a suit. The audience is seated at round tables with white tablecloths and yellow centerpieces. The stone walls are illuminated with warm, orange lights. The ceiling is equipped with a complex lighting rig.

An architectural rendering of a modern, multi-story building with a facade of vertical wooden slats. The building is set in a snowy mountain landscape with evergreen trees and a large mountain peak in the background. The sky is overcast, and there are birds flying. In the foreground, several people are walking on a snow-covered path, some carrying shopping bags. The building has large windows and a prominent entrance area. A green vertical bar is positioned to the left of the building.
